SUMMARY

I am a BSc. CSIT 2nd year student studying at ASCOL. I have completed my SEE and +2 level studies from Padmodaya Secondary School. I possess basic skills in front-end web development and have knowledge of HTML, CSS, JavaScript, React, C++ and C programming language. I have typing skills in English and Nepali. I am a sincere and obedient individual dedicated to completing tasks efficiently. In my free time, I enjoy playing guitar and watching educational videos on YouTube. I also have basic skills in Photoshop. I am highly motivated to earn money for my studies and am determined to do my best in any given task or opportunity.

ACHIEVEMENTS

Good Score in NEB board

SKILLS
